SUMMARY

With strong academic achievements, work experience, and hands-on project skills, plus self-study, diligence, and eagerness to learn, I seek a dynamic work environment for growth and career advancement, aiming for a Middle-level role within a year.

EDUCATION

FPT Polytechnic College Ho Chi Minh

Information Technology - Web Development - Semester: 7/7

08/2022 - 05/2025

- GPA: 8.8/10
- Top 150 Excellent Students in 2 semesters

EXPERIENCE

Itechco Company - Frontend Intern

- Gained practical experience with Reactjs. 10/2024 - 01/2025
- Developed and maintained responsive web interfaces for enterprise training and education platforms using Reactjs, Ant Design.
- Collaborated with backend developers to integrate APIs and optimize data rendering.

PROJECTS

Clinic Management System

Role: Frontend

08/2024 - 12/2025

Members: 6

Description: Developed a Clinic Management System enabling patients to schedule exams and review medical records on web and mobile platforms. Admin rights for doctors to access patient records, prescribe medications, manage appointments, and set work schedules. Super Admin features for full system management and control.

Technologies:

- Frontend: TailwindCSS, ReactJS, TypeScript, Axios, Redux Toolkit, React Query, React Hook Form, Zod.
- Backend: NodeJS(ExpressJS), MongoDB(Mongoose), PassportJS, Swagger.

Audio e-commerce

Role: Frontend

02/2025 - 04/2025

Members: 2

Description: Audio e-commerce is an online store specializing in audio equipment and sample pack. This project was developed as a freelance collaboration between me and a friend, completed within one month. We utilized React JS, Laravel, Tailwind CSS, and MySQL to build a fast, responsive, and user-friendly platform.

Technologies:

- Frontend: TailwindCSS, ReactJS, Axios, Redux Toolkit, React Query, React Hook Form, Zod.
- Backend: Laravel, MySQL.
